

The following building blocks for the development of digital skills can be realized with the overall system GUNT DigiSkills 2:

- using web portals as a source of information: data from the GUNT Media Center, accessed via QR code or link
- familiarisation with various practical file formats: PDF, DXF, STP, etc.
- use standard business software, e.g. Office packages, ERP systems, Computer Aided Design (CAD)
- create or edit drawings, protocols, work plans
- use digital learning media, e.g. web-based training (WBT)
- research information sources and obtain information from digital networks; evaluate information from the Internet, portals, platforms
- familiarisation with digital test equipment with data interfaces
- media technology, presentation methods
- paperless processing of exercises and associated protocols, interactive PDF templates, email communication, video conferencing
